ATA COMP FUND & ALLIANCE INTERSTATE RISK SERVICE PROMOTE KATIE COAKER TO UNDERWRITING SUPERVISOR

Montgomery, Alabama - The ATA Comp Fund and Alliance Interstate Risk Service (AIRS) are pleased to announce the promotion of Katie Coaker to the position of Underwriting Supervisor. Katie has been with the ATA Comp Fund/AIR team since 2013 in various positions including most recently as a Sr. Underwriter, where she has analyzed and underwritten new business opportunities, managed a book of assigned larger accounts, and conducted the payroll audits for several of these specific member companies. Katie will continue to underwrite and oversee the servicing of her existing assigned accounts as she expands her role supporting the underwriting growth of both programs.

Barbara Evans, ATA Comp Fund/AIRS Underwriting and Auditing Manager says, "It has been a pleasure to watch Katie's professional growth since I joined the team almost three years ago. She has a keen sense for analyzing and identifying process and procedure shortcomings, establishing well-grounded solutions, and implementing, documenting and communicating them to all involved. These qualities are well suited for the new role where Katie will be responsible for leading, motivating, and driving the performance of underwriting through the direct oversight of our underwriting support staff to work as a highly functioning team."

The combined Boards and Management of the ATA Comp Fund/AIRS would like to recognize and congratulate Katie on her well-deserved promotion and invites everyone to do the same.
