FOR IMMEDIATE RELEASE

ATA COMP FUND & ALLIANCE INTERSTATE RISK SERVICE WELCOME LAUREN MORGAN AS INFORMATION TECHNOLOGY ANALYST

Montgomery, Alabama - The ATA Comp Fund & Alliance Interstate Risk Service are pleased to announce the hiring of Lauren Morgan as Information Technology Analyst effective August 15, 2022. Lauren will be responsible for supporting various areas of operations and processes through information technology.

ATA Comp Fund & Alliance Interstate Risk Service Chief Operating Officer, Todd Hager, comments, "As our team and our programs continue to grow, we have an immediate need for IT support. Lauren's role will evolve as we extend our reach but will remain focused on supporting our operations and processes through automation."

Prior to joining our team, Lauren worked in Marketing and Information Technology for a workers' compensation TPA in Birmingham, Alabama. She graduated from the University of Alabama with a bachelor's degree in Management Information Systems. She is currently pursuing her master's degree from Auburn University Montgomery.

In her spare time, Lauren enjoys spending time with her family and friends, traveling, and attending sporting events.

About ATA Comp Fund and Alliance Interstate Risk Service

For almost 30 years the ATA Comp Fund has been providing stable, low-cost workers' compensation coverage to the transportation industries. Now, through Alliance Interstate Risk, our programs are available nationwide. For more information, visit ATACompFund.org and AllianceInterstateRisk.org.
